

Dear Colleague,

FYGO (The Danish Federation of Trainees in Obstetrics and Gynaecology) and ENTOG (The European Network of Trainees in Obstetrics and Gynaecology) jointly invite you to the 16th meeting of European trainees in Obstetrics and Gynaecology in Copenhagen on the 1st of December 2006.

We also invite you to participate in the ENTOG exchange programme from the 27th until the 30th of November 2006, which will provide an opportunity for European trainees in Gynaecology and Obstetrics to visit one of the 27 departments of Gynaecology and Obstetrics in Denmark.

ENTOG also holds its annual Council meeting on the 2nd of December 2006 in Copenhagen.

The topics for this years meeting are “Research and training” and “New ways of assessment – 360 degrees evaluation”.

We expect approximately 80 trainees from Europe and, for the first time this year, also delegates from the US to participate in the ENTOG meeting on the 1st of December. Furthermore, delegates from the European Council of Obstetricians and Gynaecologists (EBCOG) will attend the ENTOG meeting.

We look forward to welcoming you to Denmark.

Sincerely,
